Dr. Mehdi Khaled

Focus: Digital Health, Health Systems Transformation, Policy, Innovation, Leadership
Formats: Keynote · Executive Briefing · Fireside Chat · Panel · Hybrid / Recorded Sessions

🎤 Audio-Visual

- Slides (if used) provided 24–48 hours in advance for pre-loading and testing
- Wireless lavalier microphone required for audiences >20 people
- Confidence monitor and countdown timer preferred
- Open, unobstructed stage (no central podium); speaker engagement is dynamic
- Single screen positioned side or above stage (speaker remains focal point)

⏱ Setup & Timing

- Speaker arrival 30–45 minutes prior for A/V and room check
- A break before the session is strongly recommended
- A break after the session encouraged for executive interaction and discussion

📝 Content & Materials

- Slides are custom-designed and not converted to third-party templates
- Full slide decks are not for public distribution
- Executive summaries or outlines available upon request
- All materials remain the intellectual property of Mehdi Khaled

📷 Recording & Photography

- Photography permitted before/after the session; no flash during delivery
- Recording only by prior agreement
- Recordings may not be resold or redistributed without written consent
- Speaker may record content for professional or educational use

✈ Travel & Accommodation (when applicable)

- Arrival the evening before preferred
- Hotel at venue or near airport recommended
- Non-smoking room; late checkout appreciated

All details to be confirmed with the organizing team during contracting and scheduling.
